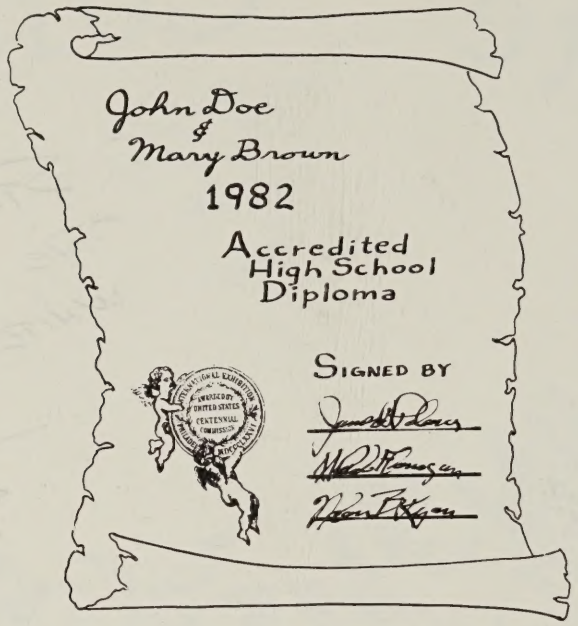
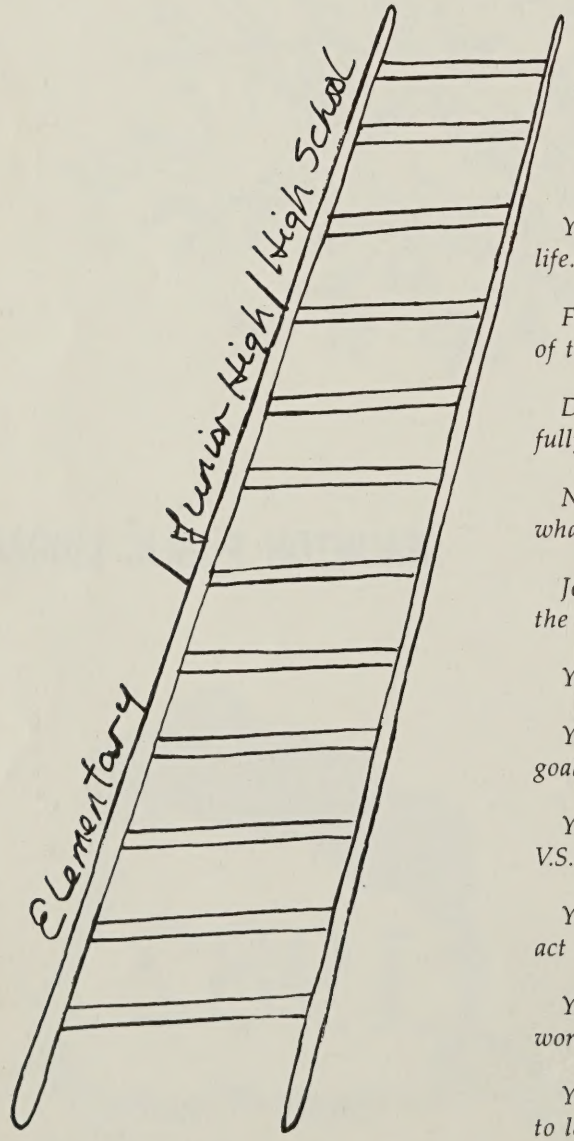
Our Preparation for the Hearing World





You will always remember V.S.D.B. for the rest of your life.

Finally you are a senior at V.S.D.B.!! It's time to make one of the most important decisions in your life.

Decisions about college, jobs or training school must be carefully considered before you make them.

Now you are getting closer to your graduation. Think about what you want to do after you graduate.

Joining different organizations helps you to be a better citizen of the United States.

You study hard to make good grades and to pass your courses.

You participate in sports to develop a good physique and to achieve your goals!!

You make friends to communicate and play with through your years at V.S.D.B.

Your teachers and the staff at V.S.D.B. descipline you and try to teach you to act in the right way.

You learn how to read, write, sign add and subtract. You learn more about the world around you.

Your parents brought you to V.S.D.B. You are cute, curious little kids, who are ready to learn. You are beginning up the long ladder toward your graduation.

DEDICATION

MRS. MARY CLARK

The Yearbook staff is very happy to dedicate this yearbook of 1982 to Mrs. Mary Clark.

Mrs. Clark has been teaching at VSDB for almost all of her adult life. She began teaching here in the early 1940's and except for one four year stay in Kentucky she has almost continuously remained at VSDE.

Teaching is what she knows and what she enjoys and we are happy to dedicate our yearbook to her.

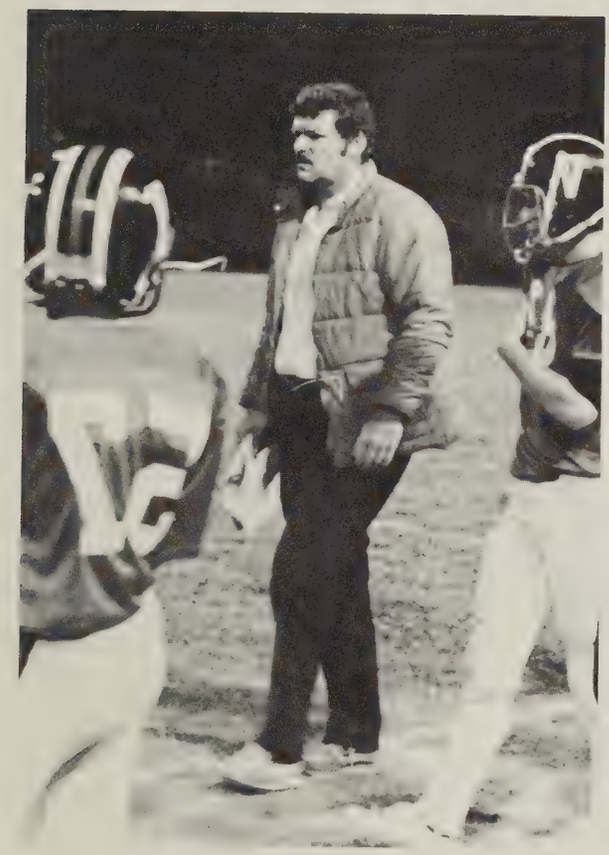
1981 Football Season — 2-6 Record

Despite a losing record of 2-6, the Sophmore-laden Cardinals played exciting football games, especially in offense. Junior Dean Crouch, left-handed passer, completed 40 out of 90 times for 723 yards and 10 touchdowns. Senior Darren Osborne, playing both running back and wingback, led our scoring with 8 touchdowns and 2 PATs for a total of 52 points. Bobby Jones, playing center, has been our mainstay for 4 years and an outstanding pass protector as well as blocker despite his 155 pound frame. His fine leadership will be sorely missed. Defensively, Sophomore Linebacker Tracy Parham led our team with 43 solo tackles. Three players, Darren Osborne, Bobby Jones and Dean Crouch, have been selected to the 1981 All-VIC Team. Although three senior starters are departing, many of our 1981 players are returning. There is good reason for optimism for the 1982 GRID Season.

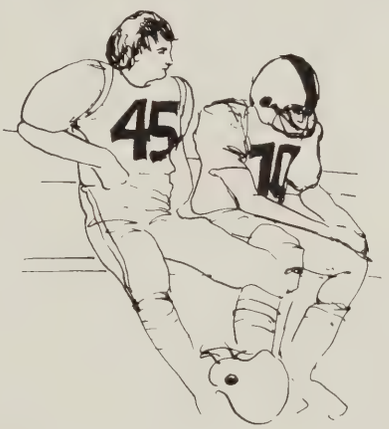
Our head coach, Mr. Devito, advises the players in their efforts toward victory.

Run!! You better catch the football for the touchdown!!

Bobby Jones looks on as Darren Osborne gets ready to pass.



Our assistant coach, Mr. Deuel, looks serious as he listens to one of our players.



Spirit!! Spirit!! You can work together to win!

Yea!! Tracy Parham caught one of our opponents.

Charles goes for the ball at the beginning of the game.

Mr. Panella explains to the players the overall game play.

Our junior varsity basketball players have got the teamwork clicking as they work together smoothly. They are quick and aggressive and the loyal fans delight in watching them play. They are good future prospects for our varsity team. The word for them is OPTIMISM.

Come on!! Get the rebound!!

During the halftime, Tony Panella tells the players what to do for the second half of the game.

Jimmy shoots for TWO POINTS!!

The players are anxious to play when they watch the game.

Cardinal, What are you looking for?

These girls are doing their pom pom dance.

The girls are showing off their best stunt!

"Say Cheese!"

All the girls except one are very new on the junior varsity cheerleading squad. They are very young and inexperienced, but as time goes by they are certainly blooming! First thing they do after arriving at the gym for practice sessions is to exercise. They know what is expected of them. The junior varsity cheerleaders have many secret admirers because I am often stopped by several young boys. They tell me that "that girls is nice," "that girl is pretty," etc etc . . .

It has been an exciting challenge and a good year for our girls' basketball team. Currently possessing a winning record (7-6), our ladies have put in a lot of hard work and long hours of practice. We look forward to stronger years to come as we are graduating only one lone senior, Kimm Yates, from our talented squad. A possible candidate for post-season honors, Kimm has been one of the high spots in our program and our success is due, in part, to her abilities.

With the rest of the squad returning, I feel that the 1982-83 edition of the lady Cardinals will be one of "winners."

Jeff Lawson

THE VARSITY & J.V. TEAMS TOGETHER

The members of the J.V. Team are Leon Shearin, Steven Swortzel, Darren Osborne, Scott Collie, Marvin Johnson, Issa Abusbitan, Corey Smoot, Matthew Jones, Timmy Krance, Wesley Arey, Darrell Drake, Randy Grady, Mike Mawyer

The wrestling team has a 1-10 season record. They have more individual success than team success. Each boy has the goal to achieve a winning record in his weight class. The wrestlers worked hard and kept their spirits high during the wrestling matches. With more interested wrestlers on the J.V. team, it seems that there will be a bright future for the V.S.D.B. Varsity team.

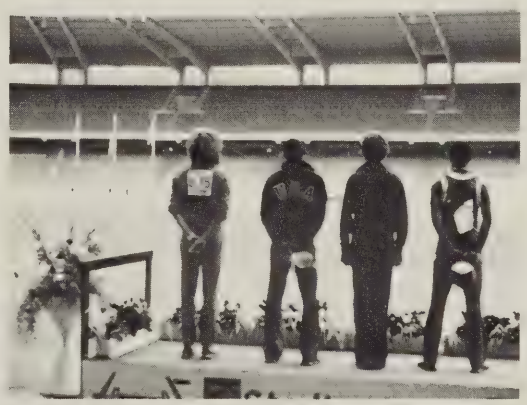
Earl Davis, Randy Wheeler, and Willie Cooley.

Willie keeps exercising.

Competitors can be friends.

Waiting for the games.

The Nations En Mass.



Facing the Flags.

The Pride of Accomplishment.

This past summer, Randy Wheeler, Earl Davis, Willie Cooley and Jim Kiser had an experience they will never forget. All four were members of the U.S. Deaf Olympic track team which participated in the 14th World Games for the Deaf in Cologne, West Germany. They all returned with more than memories; they returned winners.

The world games involved 32 countries with a total number of 1,258 athletes. Each one of our boys put a great deal of work into his events and the result was 3 gold medals, 1 silver, and 1 bronze.

Jim Kiser was the sprint coach for the U.S. team. He had the great pleasure of coaching Willie and Earl along with many other talented athletes from all over the U.S.

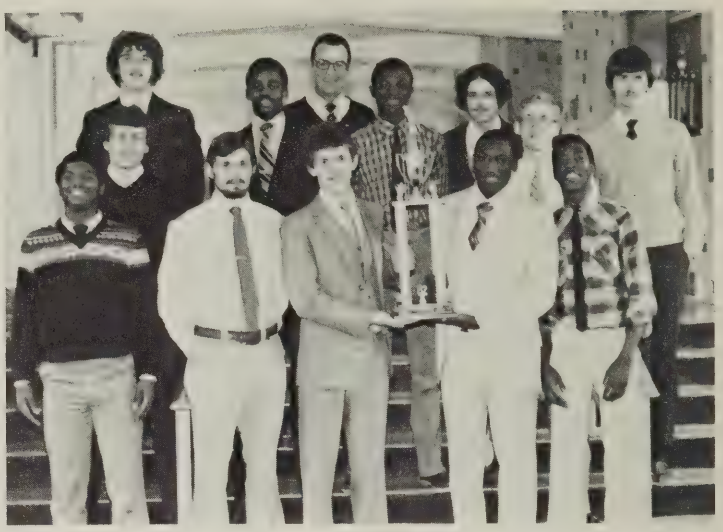
THE 30th ANNUAL MASON-DIXON TOURNAMENT

Proudly, our team accepted the Sportsmanship Trophy.



The basketball team was proud to win the 4th Place trophy.

Congratulations, Ms Bobbie Wolfe and cheerleaders

I was truly ecstatic when they announced the Virginia Cardinals cheerleaders as champions of the cheerleading contest at the M-D tourney. I predicted that our cheerleaders would win first place simply because everything they did impressed me.

Our cheerleaders truly deserve the honor as I have witnessed them trying their best at all times, not to mention hours of practice that they had to endure.

Now, about my boys. They pleased me when they abided by my plays during the first two games which enabled us Virginia Cardinals to win the 4th place. Gosh, was I delighted to learn that our basketball team **also** *won the Sportsmanship Trophy. Indeed, I'm bursting with pride to see the happy results of the M-D tourney for V.S.D.B. this year.*

Buttons, buttons, hey where are my buttons?

Tony Panella

How can I feel anything but joy and pride for the varsity cheerleaders? Oh, yes, I always had believed that they would win but when was the question. In practice sessions, I was impressed with their work but when it came to showing the audience, I was not sure I had the right varsity cheerleaders. Because of that, I was kind of worried when they were competing in the cheerleader competition at Jackson, Mississippi. I was relieved to see them doing well but I never dreamed that they would win. When it was announced that the Virginia School for the Deaf cheerleaders won the first place, I was very shocked. Needless to say, I am proud of my girls and Ted and I want them to know that they were not doing it for themselves but for the Virginia School for the Deaf and Blind.

Now for the varsity players, I was so proud that they won the fourth place and especially Sportsmanship. The Sportsmanship Award is a big thing and the credit goes to the players and cheerleaders for their wonderful behavior. Players and Cheerleaders, please keep it up for more years to come.

Bobbie Wolfe

The Cheerleaders received their individual trophies, our 1st place trophy, and the Miss Cobb Traveling Trophy.

Their dream finally came true!

On the other hand, we, the Student Council, have an agenda committee and food committee. The purpose of the agenda committee is to discuss the suggestions that are submitted by the students. Then they send their opinions to the students and they contact the principal about the students' suggestion. The purpose of the food committee is to make sure that the students are satisfied with the food service and the kitchen staff.

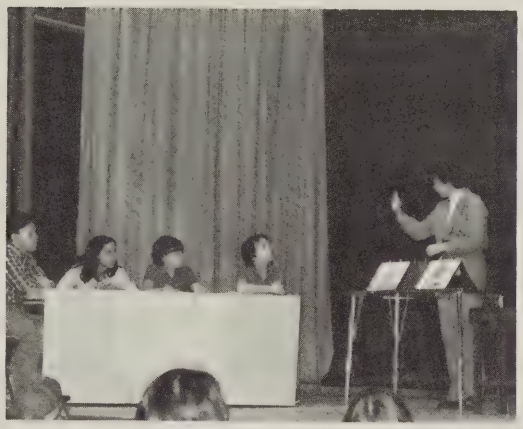
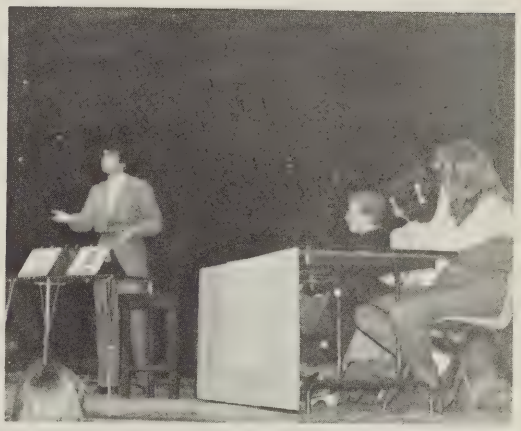
THE FIRST ANNUAL CLASS BOWL

Mary, Are you praying?



The 9th grade class pays close attention.



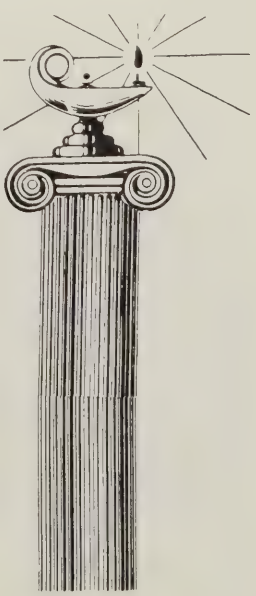
Are the 11th grade people from Mt. Rushmore?

Hey, Mike, We caugh you saying "Sh."

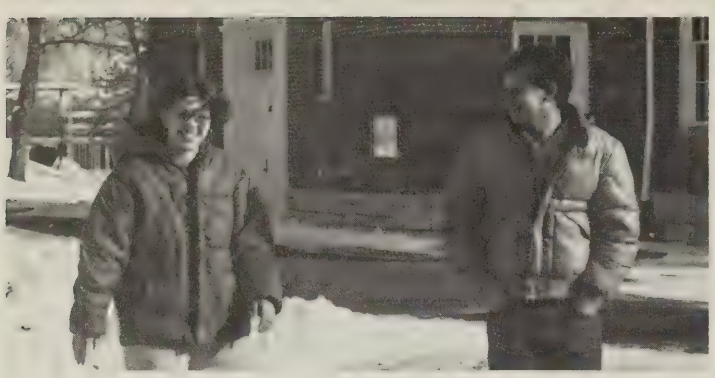
Cheryl, We're sorry, but you're not number one.

After several years of planning, this year the Student Cooperative Association hosted the First Annual Class Bowl for high school students. Ms. Mary Bavister was the Master of Ceremonies and Mike Byrd, President of S.C.A. was the chairperson. The purpose of this class bowl was to challenge the students in their general knowledge about history, sports, literature, religion, mathematics and many other things. It made the students aware of the value of education.

The teachers, students and the staff of V.S.D.B. enjoyed learning from the class bowl. Without our education, we would not survive the challenge of the world that we live in. We felt that this Class Bowl was very beneficial to the idea of what education is about. We hope that we will have more Class Bowls in coming years.



SADIE HAWKINS DAY



Jane Chandler caught Mike Byrd to be her wife.

Congratulations to Jane who caught Mike, the most sought-after boy.

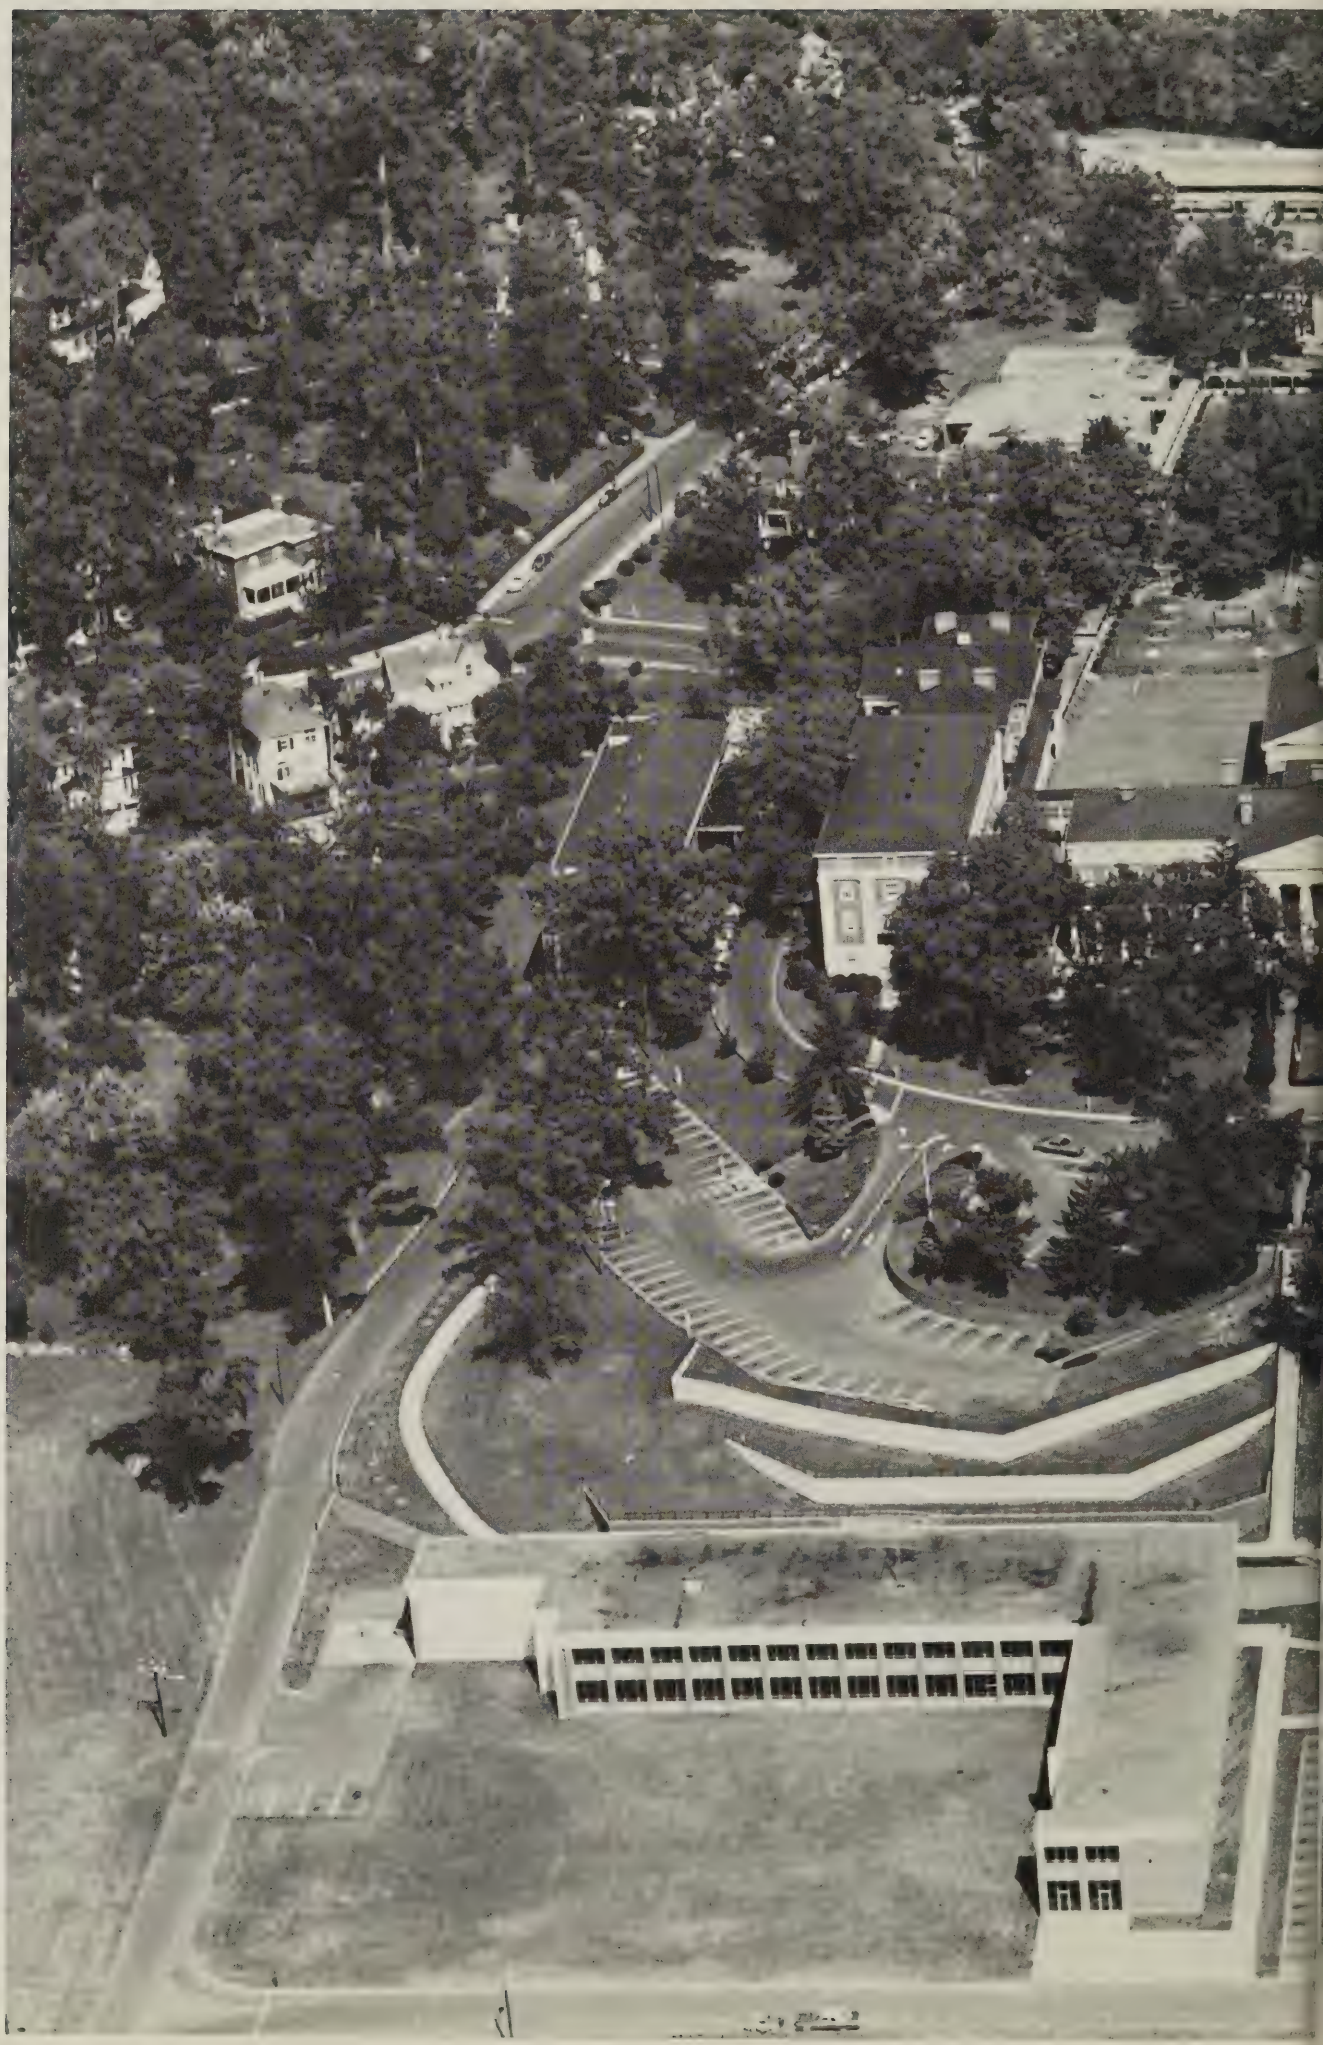
THE VS



DB CAMPUS

ACTIVITIES IN STAUNTON

In your spare time, you like to go to town, to the park, to movies, and shopping with your friends. Sometimes you might go to Hardee's to get a Big Twin, F.F. and Coke, or shop at Woolworths, Hallmark's or I.G.A. Food Store.

One afternoon you leave the campus with your friend.

You are talking in sign language with your friend down E. Beverly Street.

"Hi! Tracy."

Finally you are coming to downtown Staunton to do what you want to do.

You watch out for cars before you go across the street.

PEPSI-COLA

On the way to town, you saw the dog that wants to be patted.

This is the place where V.S.D.B. students hang out to talk and eat.

You might want to order delicious pizza, hamburger, coke or whatever you want to.

Mm! Mm! Good!

This is a place where the students watch movies.

Dear Teachers, Students and Friends:

This year we are introducing our new 9 by 12" size yearbook. It is bigger than ever before and we are very proud of it.

We had many difficulties in putting out this yearbook and in trying to meet the deadline on time. We have worked hard, given up our own time, and tried many new ideas to make this yearbook look different. We sometimes got exhausted, angry, frustrated, funny and foolish, but we finally reached our goal.

We, the yearbook staff, hope you all enjoy this yearbook of 1981-82 and hope you appreciate our hard work.

Sincerely,
The Yearbook Staff
